#### Buddhist Studies: Australasian Contributions

**University of Western Sydney**  
Centre for Cultural Research and  
School of Humanities and Languages

Building EA, Parramatta Campus  
3rd & 4th December

AABBS presents a multidisciplinary forum for the academic discussion of research on Buddhism.

Papers are welcome from all academic perspectives. Abstracts under consideration include textual studies, history, sociology, religious studies, cultural studies, psychology, music, performance, and art history.

Post graduates are particularly welcome.
